### Introducing the Year of Prayer, Study, Generosity & Evangelization

The year 2019 is dedicated to all Four Signs of a Dynamic Catholic: Prayer, Study, Generosity, and Evangelization! Two key components of Evangelization are being welcoming and providing radical hospitality. The Gospel today provides a great example of both welcoming and hospitality. The wise men traveled a very long distance to show welcome and hospitality to the "newborn King of the Jews." They provided generous gifts and gave Him homage. Mary and Joseph welcomed the strangers and presented a beautiful example of radical hospitality. Mary and Joseph were probably still extremely tired from their own journey from Nazareth to Bethlehem and from the anxiety of giving birth to a baby in a manger. However, they realized they were called to share Jesus with others and they did. How do you show welcoming and radical hospitality? When was the last time you shared Jesus with others?

**Trivia Night  
Sponsored by our**

**Immaculate Heart of Mary

**Saturday, March 30th**

It's a night you don't want to miss!

Dear Parishioners,

This weekend, we celebrate the mystery of the Epiphany, when Gentile magi coming from the East seek the newborn king of the Jews and pay him homage with their gifts of gold, frankincense and myrrh. There are many insights that one can draw from this encounter, but the central is the manifestation of the Christ-child to those who do not come from Judaism. This shows how Christ's mission is meant for all of humanity. He is the universal savior. We hear from the prophet Isaiah: "Rise up in splendor, Jerusalem! Your light has come, the glory of the Lord shines upon you. [...] Nations shall walk by your light, and kings by your shining radiance" (Isaiah 60:1,3). With the coming of the Incarnate Son of God, the glory of God has embraced human nature, raising it to a dignity beyond its own capacity and power to grasp. This glory shines from within the people of Israel and is a beacon for all other peoples to come and be embraced by this glory.

Of course, this Epiphany would come with a terrible price due to Herod's fearful stranglehold on power. His duplicity is thankfully revealed to the innocent Gentiles, but his ensuing wrath was tremendous. Already, the evil in the world was ready to quash any possibility of surrendering its hold on humanity. The promise of a Messiah threatened evil's chains choking the human heart, and to have Gentile wise men ascertain His coming must have terrified it, let alone those who had surrendered to the ways of evil to gain power and privilege, like Herod.

When God manifests Himself, His power and glory challenge anything that is contrary to Him. This can be just as easily seen within the human soul. When His truth and love challenge the human heart to change, there can be some revulsion to surrender to Him. Ironically, it is for its own good that it allows God's grace to lift it up, so that the harm done by evil may be healed and the soul can share in His life. Like a stubborn child that would rather avoid the truth that what he or she was doing, was

Of course, when God manifests Himself, His power and glory is readily embraced by all that which is in harmony with Him. While parts of our hearts can be tempted to rebel, there are those elements that happily welcome Him. Like the child who falls and scrapes his or her knee welcomes the attention of parents to help his healing, the good within us enjoys the Presence of God, especially as it desires freedom from what weighs it down and harms it.

As we celebrate the solemnity of the manifestation of the Son of God to the Gentiles, we pray that how and when He manifests Himself to us may be readily received by us, and where there is hesitation or rebellion, we pray that He may be victorious. All His work is to our benefit.

In the Hearts of Jesus & Mary,

Father Kristian Teater

Dear

**Immaculate Heart of Mary Parish,**

My parents and I loved the IHM parish family. I truly appreciated all of your support, prayers, cards and kind words during my father's illness. Thank you for everything!

### Joke of the Week

My friend reviewed her young son's fill-in-the-blank homework. One line: "At Christmas, we exchange gifts with \_\_\_\_\_."

His response: "Receipts."

+++++

My young son ran to me, crying "Daddy, I stubbed my toe," he sobbed.

"Let me kiss it and make it better," I said. "Which toe was it?"

"The one that has no roast beef."

# SENIOR MOMENTS

**HAPPY NEW YEAR!  
MAY 2019 BE A PROSPEROUS,  
HEALTHY, JOY FILLED YEAR!**

## **EPIPHANY OF OUR LORD AND CHRISTMAS MEMORIES**

I read an article by Loyola Press, about Epiphany, which I found interesting: The word Epiphany means "manifestation" or "showing forth." Historically several moments in Christ's early life and ministry have been celebrated as "epiphanies," including his birth in Bethlehem, the visit of the Magi, his baptism by John, and his first miracle at Cana. The visit of the Magi, the three kings represent our search for Jesus.

The gifts they brought represents Jesus' role in salvation. Gold is presented as representation of Jesus' kingship. Frankincense is a symbol of his divinity, because priests burned the substance in the Temple. Myrrh, which was used to prepare the dead for burial, is offered in anticipation of Jesus' death.

The tradition of giving gifts at Christmas is thought by some to be rooted in the gift giving of the Magi. Think of the best gift you have received. What made it special? Was it the gift itself, the thought that went into it, or the person who gave it to you? Share your memories with your family. Passing along our stories and traditions strengthen our families.

Some of our seniors shared their favorite childhood gifts; a doll with clothes made by her mom, a charm bracelet, first bike, a puppy. My favorite gifts were two dolls. One was the Chatty Cathy doll. I was around four years old, it was expensive, a sacrifice for my parents. I know it was given with love. I loved pulling her string so she could talk to me. My other favorite was about five years later; a Thumbelina doll. She had a knob on the back that you turned to make her move like a live baby. I loved that doll! I am sure many people have received gifts that brought them joy! Yet, nothing can compare to the joy that is brought through Baby Jesus, as well as the promise of new life.

Baby Jesus' birthday gives me wonderful Christmas memories that surround around family, love, our nativity, Christmas songs, especially Silent Night,

## **GAME DAY**

Game day has become quite a success! People from various parishes gather together each month.

I hope you are able to join us! Feel free to bring a friend or relative! We have been gathering for seven months on the **first Thursday of each month 1:00-4:00 p.m. in the rectory meeting room.**

We break up into various groups and enjoy the afternoon playing a variety of games. We have snacks, talk and laugh. What's not to love?! Any questions feel free to give me a call. 314-481-9385

If we have snow and/or ice, Game Day will be canceled, but otherwise, even if it's cold outside, we will be here! **Mark your calendar: our next gathering will be Thursday, February 7th.**

## **RENEW**

**Please save the date – Wednesday, January 30<sup>th</sup> at 10:00 a.m.** We will be meeting in the rectory meeting room the **last Wednesday of each month until Lent begins.** Everyone enjoyed our time together, so we decided to meet once a month until our six weeks Lenten series. All are welcome. We will watch a movie or have a topic to discuss. The time together allows us to get to know parishioners and grow in our faith. Come alone or bring a friend! The more the merrier!

## **BEING A VOLUNTEER IS GOOD FOR YOUR HEALTH**

Several years ago, I read an article in the Post-Dispatch, which quoted **Dorcas McLaughlin**, associate professor of psychiatric mental health nursing at SLU, ***"New research is finding that in some ways, volunteering is more positive for people who are serving, than the people who need help. This research has found that people who participate in volunteering have a greater sense of well-being, which decreases stress and depression and has some physical benefits."***

Many people make a New Years' Resolution to concentrate on improving their health, just think...you can help someone and improve your health at the same time!! If you are helping someone else, there's less time for snacking, and more time for conversation! Helping someone else can provide relief from your own worries and you can feel good about lend-
